

STUDENT SERVICES

Newsletter

September 2022

Welcome from DMC's Student Services team!

While we are familiar with most of our families, we wanted to introduce ourselves again and let you know about some changes for the upcoming school year. Dana Thompson will be working primarily with grade 6/7 students and Lise Twa will focus on grade 8/9. Both teachers will be continuing their work on student mental health, Individual Program Plans, English Language Learners, attendance, specialized placements, formal testing and assessments but will also be working in classrooms more frequently.

We will send out this newsletter once a month but welcome a chance to talk with you one on one should issues arise.

For more information on the role of Student Services at Dr. Martha Cohen you can visit the school website at <https://school.cbe.ab.ca/school/drmarthacohen/culture-environment/student-services/pages/default.aspx>

We look forward to working with you,

Dana Thompson- grade 6/7 (dlthompson@cbe.ab.ca)

Lise Twa- grade 8/9 (alunich@cbe.ab.ca)
